

Study NSW Communication Toolkit for education providers, partners and agents

Top 5 to thrive video series for international students

30 March 2023

Top 5 to thrive video series for international students

Study NSW has developed a new video series to support international students with living in NSW.

The videos feature international students sharing advice on five topics including:

- Accommodation
- Arrival
- Finding work
- Free help
- Travelling around NSW

Education providers, partners and agents are encouraged to publish videos to their social media channels and tag @StudyNSW.

Please contact us with send any feedback, questions or comments.
